"I am humbled to be invited by Brenda to teach my God-led art at this amazing conference," said Debra Murrow, who was given a gift from God over 20 years ago when she received a revelation of the power of words. "When you write God's word, ever so slowly and creatively, you begin meditating on it, and having fun at the same time, because everyone has fun creating art!" Through Debra's art, she says, God has a chance to "drip" on you, and that becomes one of the ways to hear God's voice."

Registration is open at Purpose in the Pain to attend this life-changing retreat. Spaces are limited, so act quickly! The retreat will offer speaker sessions, wellness sessions, small groups, workshops, worship and much more. The retreat will be a blessing to benefit any woman who has struggled with addiction, abuse, or is simply in need of restoration.
