

Xicato Announces Partnership with Leading Lighting Sales Agency in Western Asia

Agustos Teknoloji Expands Xicato's Presence with Smart Building Projects in Turkey

LOS GATOS, CA, UNITED STATES,
January 28, 2021 /EINPresswire.com/ --
Xicato, the leading provider of

Bluetooth smart building wireless

controls and highest quality spot light sources and linear lighting, today announced a partnership with Agustos Teknoloji, a top-notch lighting sales agency, to promote and sell the broad Xicato portfolio of state-of-the-art lighting products in Turkey. Xicato is focused on

providing an expansive family of the highest quality [lighting solutions with leading-edge smart wireless Bluetooth controls](#). Agustos Teknoloji is similarly focused on providing the best-in-class architectural lighting solutions that bring the latest proven technologies to the building projects in Turkey.

“

Xicato's industry leading brand of scalable products designed with their superior light quality technology resonates well with our mission to transform the building industry in Turkey.”

*Emre Gunes, Principal at
Agustos Teknoloji*

Agustos Teknoloji has a dedicated team of lighting experts serving a variety of residential and commercial clientele with advanced lighting and smart building automation requirements. Agustos Teknoloji can now offer Xicato's unrivaled quality end-to-end lighting solutions and controls

to satisfy the most stringent requirements of their customers implementing Turkey's National Energy Efficiency Action, which outlines the national goals for energy efficiency in buildings and other sectors through 2023.

“We pride ourselves on being the most innovative lighting agency in our region,” said Emre Gunes, Principal at Agustos Teknoloji. “Xicato's industry leading brand of scalable products designed with their superior light quality technology resonates well with our mission to transform the building industry in Turkey with only the best in lighting solutions. We are thrilled to partner with Xicato to bring this transformation to reality.”

“Agustos Teknoloji has the right approach when it comes to elevating the importance of the

quality of light in building projects in Asia and Europe,” said Amir Zoufonoun, Xicato’s CEO. “They are changing the way many think about the future of smart buildings with innovated lighting solutions that are unique in superiority, design, and features. We are delighted to have Agustos Teknoloji represent the Xicato brand in this important region of the world.”
