NEW YORK, January 29, 2021
/EINPresswire.com/ -- [Brainiac Productions LLC](#), Christopher William Mahne and Sir David Michael Robinson today announced their intent to release chapter previews serially over the coming months, in both print and audio formats.

"As our story preview campaign on [Facebook](#), Instagram, Pinterest and audio content on [Soundcloud](#) has driven such incredible audience engagement, we've decided to expand the outreach, providing fans the entire 33 Chapters of BINGE." according to Robinson.

As one reviewer put it best, "BINGE reminds us that there is such an importance in words. The 'psycho-biography' novel requires us to go deep or go home. This story of CW's transcendence is set to a psychedelic narrative pulse, enriched by Grangita artwork that channels its lavish dreamscapes."
