ONLY ONE REVIEW MATTERS WHEN SEARCHING FOR THE BEST ATTORNEY

Here is background on this release. Online reviews of attorneys are a relatively new thing, with the rise of reviews sites such as Google, Yelp, and Avvo. Persons who have been in a car or truck wreck in Brownsville, Harlingen, or McAllen may not personally know any lawyers. They may ask friends or family to identify who they think is the best accident attorney in McAllen, Brownsville, or Harlingen, but word of mouth only goes so far. A second tactic is to read online reviews. Here, they may identify the Villarreal Law Firm as one of the top-rated personal injury law firms in Brownsville as measured by reviews. But even then, there is only one review that matters: their review of their own personal service. In this way, the news announcement helps them in their quest.
