Maureen "Mo" Faul's highly anticipated, first motivational book for women will be available February 2021 in hardcover format. On a normal day during the pandemic, which Mo calls

She calls upon all of us to see our light, to see the light in other beings, plants, animals, and even rocks -- and powerfully invites us to live from that perspective.

“

She calls upon all of us to see our light, to see the light in other beings -- and powerfully invites us to live from that perspective.
