DSAA, GiGi's Playhouse Atlanta, and NDSC Condemn

Statement Made by
Congresswoman Marjorie Taylor Greene (R-GA)

The Down Syndrome Association of Atlanta, Gigi's Playhouse Atlanta, and the National Down Syndrome Congress (NDSC) strongly disagree with the decision of House Republicans to appoint Marjorie Taylor Greene (R-GA) to the House Education and Labor Committee due to her history of conspiracy theories around school shootings and use of the word "retard" as a pejorative term. "The Down syndrome and disabilities communities are concerned that Rep. Greene's verbiage will distract from the committee's work and that her words truly reflect outdated, damaging beliefs that will negatively impact students with intellectual developmental disabilities (I/DD) for years to come," states Down Syndrome Association of Atlanta Executive Director, Sheryl Arno.

Recently a [video](#) that Rep. Greene posted prior to taking office has resurfaced on social media platforms. In her video, Rep. Greene, when speaking of other elected officials, says, "Stupid simple – Retards; I'm sorry, I know that is an offensive word. I am not trying to talk down on people with Down syndrome, but that's what these people are. These people are so stupid and ignorant that they cannot put something common sense in place."

Rep. Greene's statements are particularly damaging to individuals with Down syndrome and other intellectual or developmental disabilities as they are more likely to be victims of bullying. Her words promote a culture of casual cruelty toward people with disabilities. NDSC Executive Director David Tolleson said, "Men, women, and children with Down syndrome should never be used as a punch line to make points in a political debate." He continued, "They are people who deserve respect and dignity. Rep. Greene's comments send a message to students, parents, and educators that she believes people with disabilities are not capable of decision-making. Her words and beliefs are a slap in the face to people with disabilities and we do not support her appointment to the Education and Labor Committee."
