SAN DIEGO, CALIFORNIA, UNITED STATES, February 1, 2021

/EINPresswire.com/ -- Key Housing, a top-rated [corporate housing](#) service serving all of California, is proud to announce its SoCal winner of the coveted designation of featured listing for corporate housing. The winner is the 'AVA at Pacific Beach' complex, chosen because it provides best-in-class corporate housing with a stunning location not far from the Pacific Ocean.

“

San Diego remains a key center of commerce even during these trying times.”

Bob Lee

“San Diego remains a key center of commerce even during these trying times,” explained Bob Lee, President of Key Housing. “We are seeing an upsurge, however, in business travelers who want a more outdoor-oriented focus. That way, they can encourage walking, hiking, running and other activities. The 'AVA Pacific Beach' is quite close to the Pacific

Ocean yet not far from the centers of commerce in Southern California. Hence, it won the coveted SoCal award for February 2021.”

San Diego Combines the Best of Everything

Located at 3883 Ingraham Street, San Diego, California, the 'AVA at Pacific Beach' offers thoughtfully designed studios and one- or two-bedroom homes featuring fully equipped kitchens, air-conditioning, spacious closets and more. Many apartments have been recently renovated. Kitchens have new countertops, appliances, lighting, fixtures, accent paint, and chalkboard walls. Hard surface flooring has been added in both kitchens and bathrooms. Of course AVA is an ecologically friendly community with convenient recycling bins throughout.

Residents can take advantage of wonderful amenities including the enormous 40-person whirlpool spa, and an outdoor swimming pool. Not only humans get to have fun in the water: there is an on-site pet spa as well (AVA allows most types of pets). And, best of all, it's just minutes from the beach and the magnificent Pacific Ocean.
