

GiftChill New Digital Giftcards for Bitcoin and Cryptocurrency Gains Huge Exposure

UK, January 31, 2021 /EINPresswire.com/ -- Big named gift cards can be purchased online using four different cryptocurrencies: Bitcoin, Bitcoin Cash, Litecoin, and Ethereum. No need to wait for the gift cards to be delivered, once purchased they are sent directly via email to use straight away.

GiftChill has today announced they have launched their new online digital gift card store where people can buy top named gift cards using Cryptocurrency. Gift cards can be purchased with four different cryptocurrencies: Bitcoin, Bitcoin Cash, Litecoin, and Ethereum. Since the news was announced, the online gift card store has received huge exposure both in the USA and the UK.

Thanks to a new partnership with Coinbase, GiftChill customers can [buy gift cards](#) securely without worrying about using their credit card details. The gift cards currently available include Amazon gift cards, [Google Play gift cards](#), iTunes gift cards, Nintendo gift cards, PSN gift cards, Roblox gift cards, steam gift cards, and [Xbox gift cards](#) to name a few. Other brands include Adidas, eBay, Domino's, and Nike.

GiftChill is quickly becoming the leading name in Gift cards that can be bought with Bitcoin and other cryptocurrencies. With more than 206 Gift cards available, with such amazing deals, it is no wonder why GiftChill online store has become such a huge talking point on social media.

A spokesman from GiftChill said: "We are proud to be able to offer some of the leading brands and Gift cards to our customers using digital currencies. We will be continuing to add more Gift cards to our platform and will look at increasing our payment methods."

With prices so low thanks to the current sale, some Gift Cards are selling out fast. With new Gift cards added regularly, there is always something for everyone, from eating out, buying music, ordering food in, to buying games online.

Thanks to the company focusing on digital currency, it means they do not have the high overheads of most other gift stores. That means, they can pass on the savings to their customers and provide Gift cards at the lowest price possible
