

HouseMaster Home Inspections Franchise Expanding to Denver

Home inspection franchise to be the first region serving Denver and surrounding area

DENVER, COLORADO, USA, February 1, 2021 /EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise in North America, is announcing the opening of a new location in Denver. Thomas Kelsey, with 25 years of experience as a sales and marketing director in the ski resort industry, is the local entrepreneur expanding HouseMaster in the Denver area.

HouseMaster is known for its strong commitment to customer service. With more than 325 franchise areas across North America, HouseMaster holds a Net Promoter Score of 92 (a customer satisfaction ranking higher than Apple and Ritz-Carlton). Franchise Business Review has named HouseMaster a top franchise brand in its franchise owner satisfaction category since 2009.

This HouseMaster location in Central Colorado will cover all of Denver, and surrounding communities such as Arvada, River North, and Central Park.

“Stemming from my background in hospitality, I’m looking forward to bringing a five-star, customer-oriented mindset to home repair and inspections in this region,” Kelsey said. “I chose HouseMaster because I liked the approach they take toward home inspections and building a long-term relationship with customers. It’s a system that has stood the test of time and I’m eager to grow it here in Denver.”

HouseMaster provides homebuyers and sellers an independent, third-party, professional evaluation of the visible and accessible condition of the major elements of a home. HouseMaster’s guaranteed inspections enable potential homebuyers and sellers the opportunity to make educated real estate decisions. From interior systems such as plumbing and electrical to exterior components like the roof and siding, the HouseMaster Home Inspection includes the evaluation of the visible and accessible major elements of the home.
