DALLAS, TEXAS, USA, February 1, 2021 / EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise in North America, is announcing the opening of a new location in Dallas. Stephen Frank, a military veteran and experienced home inspector who also founded a successful nonprofit in educational services, is the local entrepreneur expanding HouseMaster in the Dallas area. His wife, Tami, owns the business alongside Stephen as they work together to build it in the region.

HouseMaster is known for its strong commitment to customer service. With more than 325 franchise areas across North America, HouseMaster holds a Net Promoter Score of 92 (a customer satisfaction ranking higher than Apple and Ritz-Carlton). Franchise Business Review has named HouseMaster a top franchise brand in its franchise owner satisfaction category since 2009.

This HouseMaster location will cover NW Dallas and surrounding communities including Arlington, Grapevine, Coppell, Irving, Garland, University Park, Highland Park and Carrollton.

"I have always been entrepreneurial," Frank said. "I really liked what other franchisees had to say about HouseMaster and the way HouseMaster does business right. I am ready to grow my business by exceeding client expectations consistently and generating referrals."

HouseMaster provides homebuyers and sellers an independent, third-party, professional evaluation of the visible and accessible condition of the major elements of a home. HouseMaster's guaranteed inspections enable potential homebuyers and sellers the opportunity to make educated real estate decisions. From interior systems such as plumbing and electrical to exterior components like the roof and siding, the HouseMaster Home Inspection includes the evaluation of the visible and accessible major elements of the home.

“Stephen is a go-getter, he’s always been dedicated to helping others,” said Kathleen Kuhn, CEO of HouseMaster. “First it was him serving as a National Guardsman in Military Intelligence, and now he is looking to help out his community closer to home. We’re so happy to have him in our franchise community.”

Frank is a member of the Metrotexas Board of Realtors, a local business organization to further develop relationships in the local real estate market. In his freetime, he enjoys taking part in tournament poker and Texas Hold ‘Em; and he likes to play the guitar.
