Anthem Injury Lawyers Founding Partner Named to America's Top 100 Personal Injury Attorneys

HENDERSON, NV, USA, February 1, 2021 /EINPresswire.com/ -- [Anthem Injury Lawyers](#) Founding Partner Puneet K. Garg, Esq. has been named one of America's Top 100 Personal Injury Attorneys for 2021.

Selection to America's Top Personal Injury Attorneys is an invitation-only honor that is used to identify the nation's most exceptional litigators for high-value personal injury, catastrophic injury, wrongful death, product liability, and medical malpractice matters.

Membership is limited to the Top 100 professionals from each state in a category of practice who best exhibit excellence and the highest ethical standards in their respective professions.

Candidates for membership are identified through third-party research of peer nominations by other elite attorneys in the community. To be considered for selection to this honor, an attorney must dedicate over 50% of their active legal practice to the areas of personal injury, catastrophic injury, wrongful death, product liability, and/or medical malpractice.

Once identified, candidates are then screened through a process that considers lifetime legal achievements, professional experience, litigation experience, significant personal injury settlements and/or verdicts, peer reputation, client satisfaction, media notoriety, and community impact.

The top 100 qualifying attorneys in each state are selected for membership among America's Top 100 Personal Injury Attorneys. Because of the extremely high standards for selection, less than one-half percent (0.5%) of active attorneys in the United States are selected to receive this honor.
