

SmartMatchApp Matchmaking CRM Platform Reaches 500,000 Matches Worldwide

Leading Matchmaking Platform Hits New Milestone

MONTREAL, QUEBEC, CANADA, February 10, 2021 /EINPresswire.com/ -- [SmartMatchApp](#), leading matchmaking CRM software hits a new milestone, reporting over 500,000 matches worldwide since its inception in 2016.

"Our vision at SmartMatchApp is simple – to provide enterprise-level solutions to enable businesses, matchmakers, trade associations and membership organizations in any industry connect their clients on a deep, personalized and intelligent level, for long lasting relationships," said Tim Mourtazov, CEO and co-founder at SmartMatchApp.

Mourtazov continued, "Kudos to our team of developers, sales and support staff who have worked tirelessly together and with our customers to reach 500,000+ matches in just four years."

"SmartMatchApp was designed specifically for matchmaking business. They understand how our businesses run and provide exactly what we need on the backend to do an excellent job for our clients, said Michelle Jacoby, Owner, DC Matchmaking. "I have successfully matched hundreds of clients using SmartMatchApp's intuitive software as a starting point.
