

# FunFlicks® Announces Initiative To Provide Drive-In Pop-Ups As Alternative For Proms, Formals, High School Graduations

*FunFlicks® is providing an alternative nationally for graduations and proms during the COVID-19 pandemic in a socially responsible but fun environment. .*

LOS ANGELES, CA, USA, February 2, 2021 /EINPresswire.com/ -- FunFlicks® Outdoor Movies, a leader in providing [pop-up drive-in](#) movie theater rentals, has made headlines for their innovative approach to returning to normalcy. While many students balk at the idea of not having a prom, formal or even a high school graduation ceremony, this alternative is a welcoming and positive step in the right direction. Regardless of a pandemic, it is vitally important to preserve certain traditions such as high school graduations, therefore it is

great for a company like FunFlicks® to come forward with a new, safe, COVID-19 friendly approach to continuing these traditions.

During a recent interview, the company spokesperson for FunFlicks was quoted as saying, “For years we have provided pop-up drive-in movie theatre rentals for all kinds of events and had great success. In the beginning of COVID-19, we began a robust campaign to give back and help support the community by providing free downloadable movies to cope with lockdown, as well as donating important relief supplies.” He went on to say, “I strongly believe that it is time for us to begin using [drive-in movie theaters](#) in a way that can return positivity and some type of normalcy to the community. Starting this push to use drive-in movie theaters to allow milestone events like graduations to continue, seems like our natural next step in helping the community move forward together and begin to heal.”

FunFlicks® has been the leader in outdoor pop-up drive-in movie theatres since 2007 and are now becoming a leader in the mobile LED operations in most states. They are a full-service indoor and outdoor movie screen / event provider for individuals and organizations large and small. FunFlicks® provides all equipment necessary to pull off a 1950’s style drive-in theater that is being touted as the “perfect” alternative to going to the traditional movie theatre in the COVID-19 era.
