

Just in time for Easter, Rabbi Jason Sobel Unlocks the Mysteries of the Messiah that are Hidden in Plain Sight

"Mysteries of the Messiah" by New York Times bestselling author Rabbi Jason Sobel, with foreword by Kathie Lee Gifford, releases March 23 (W Publishing Group).

NASHVILLE, TN, USA, February 3, 2021

/EINPresswire.com/ -- Most people do not understand how the Bible fits together—even people of faith. Too many Christians accept half an inheritance in that they are content to embrace merely the New Testament. On the flip side, Jews often experience this by embracing only the Old Testament. But God has an intricate plan and purpose for both.

"Mysteries of the Messiah: Unveiling Divine Connections from Genesis to Today" by Rabbi Jason Sobel (W Publishing Group, an imprint of Thomas Nelson; March 23), raised in a Jewish home in New Jersey but now a follower of Jesus—Yeshua—helps readers unlock the fascinating mysteries in Bible. Mysteries not only about the Messiah but also how the Bible reveals Him and unveils His intense love and relentless pursuit of redemption for all.

Each chapter sparks connections between the Old and New Testaments that are hidden in plain sight. Known for his emphatic declaration "but there's more!" Rabbi Sobel guides readers from the story of creation through Revelation to see the passion and purpose of the Messiah, the Torah, and several of the patriarchs and prophets.

"Mysteries of the Messiah" helps readers:

- Learn the Old and New Testament connections
- Create a fiery yearning for Yeshua the Messiah
- Gain a passion for the Torah and a desire for the Brit Hadashah (New Testament)—a

combination that ignites transformation and renewal within followers of Yeshua

- Uncover mysteries that give eye-opening moments and new ways to reflect on life and the Messiah who came to die for us and live again for us

“In essence this book is about the Messiah and unveiling the factual story that He is not merely a New Testament, end-times persona. Instead, the Messiah and the mysteries wrapped around Him are found throughout the entire Bible, starting in Genesis and ending in Revelation,” says Rabbi Sobel. “I hope 'Mysteries of the Messiah' will bring you insights about the Redeemer and how He can be discovered in the many connections throughout the Old and New Testaments. It’s my earnest prayer that the uncovering of these mysteries will give you eye-opening moments and new ways to reflect on your life and the Messiah who came to die for you, live again for you, and give you incredible hope for a future with Him.”

Rabbi Jason Sobel

“In 'Mysteries of the Messiah', Rabbi Jason brilliantly explains the perfection and beauty of God's redemptive plan for all of humankind," says Kathie Lee Gifford. "It is truly a masterpiece of insight and illumination. Feast on it. Ponder it. And rejoice over it.”
