In welcoming 2021, advantages of staying at smaller properties offers a unique opportunity for you to travel with confidence. First, B&Bs have a direct impact on housekeeping procedures and the limited number of guests that are accommodated, assures appropriate social distancing. Second, it's simple and it's easy to speak directly and personally with an innkeeper to better understand their efforts to keep you safe in the COVID-19 environment prior to booking your stay.

Colorado is known for its open spaces, outdoor adventures, world-class winter activities and summer fun.

That's why [Bed & Breakfast Innkeepers of Colorado](#), the statewide bed and breakfast
