Nordic only firm to score 90+ across 8 categories in Best in KLAS report

CANONSBURG, PENNSYLVANIA, UNITED STATES, February 4, 2021 /EINPresswire.com/ -- Nordic is continuing to prove its unique ability to help healthcare organizations address their most complex challenges in a variety of areas, according to the Best in KLAS 2021 report. For the third year in a row, Nordic is the only firm with a rating higher than 90 across seven or more categories.

In this latest report, Nordic is KLAS-rated as a high performer for Clinical Optimization, HIT Advisory, Revenue Cycle Optimization, HIT Implementation Leadership (large and small), HIT Staffing, Partial IT Outsourcing, and Technical Services.

While Nordic has historically performed well in these categories, the healthcare consulting firm saw tremendous gains year over year in multiple segments, increasing its rating by 4 percentage points in HIT Implementation Leadership-Large and 2 percentage points in Clinical Optimization, HIT Advisory, Revenue Cycle Optimization. Also, in most categories 100% of respondents said that Nordic "avoids charging for every little thing," "exceeds expectations," and that they "would buy again" with respect to Nordic's services.

"As a firm that is constantly striving to improve and deliver the best possible solutions for our client partners, we're encouraged to see these results come to fruition in this year's Best in KLAS report," EVP of Client Partnerships Michelle Lichte said. "It's a very difficult time for many healthcare organizations, so being able to work together to help them improve their business and patient outcomes has been extremely meaningful."

Nordic's award-winning team has expanded its solutions over the past decade to provide health IT staffing, advisory consulting, and managed services. Recently, Nordic bolstered its ERP solutions by acquiring Bails & Associates, a leading ERP consulting firm that specializes in Infor. Bails was named a top performer in the Business Solutions Implementation Services category of this year's Best in KLAS report. All respondents in this category were highly satisfied with Bails' services, saying they "would buy again."
