Advanced Circuits the “Expedite Experts” in the PCB Industry...

AURORA, CO, USA, February 9, 2021 /EINPresswire.com/ -- [Advanced Circuits](#) the “Expedite Experts” in the PCB Industry...

Advanced Circuits, One of the leading PCB manufacturers in the country, has offered its famous Expedite Special for the last decade, providing quicker turn times at discounted prices. When their customers are experiencing delays from their other PCB suppliers due to offshore restrictions they look to Advanced Circuits to save their projects!

Advanced Circuits is a 100% US Based PCB Manufacturer with three State-of-the-Art facilities in Colorado, Arizona, and Minnesota totaling over 200,000 square feet. In addition they offer in house PCB Assembly services all under One Roof. Advanced Circuits is a One-Stop shop for all your PCB needs!

The popular Expedite Special from Advanced Circuits offers customers the following:

- ☐ 2-Week Turn for a 4 -Week Price
- ☐ 1-Week Turn for a 2-Week Price

They also announced New Bonus Expedited Options:

- ☐ 4-Day Turn for a 5-Day Price
- ☐ 3-Day Turn for a 4-Day Price

These expedited PCB Manufacturing options are just one of the numerous reasons why Advanced Circuits leads the US PCB Industry. Their excellent customer service and reliability make them a “Top Choice” for quality PCB fabrication. They also offer super-fast Same-Day Quick Turn Service as well as Weekend Turns for delivery by Monday morning.

What Customers Are Saying About the Advanced Circuit Turn Times:

“Thank you for getting these boards ahead of time. Thanks to you our allotted assembly time has tripled....and we now have a chance to meet our accelerated deadline.” -J.D., Microfabrica

“Absolutely unbelievable. Phenomenal. What else can I say? Our 2-day order ships in one day,

and the 5-day ships in 2! The boards look excellent. In almost 30 years in this business, I've never seen anything like your service. You just obsoleted the phrase "expedited delivery" - this is more like "instant delivery". From the easy-to-use quoting and ordering process, to elimination of the tooling charge, to no sacrifice of quality, and your lightning-fast delivery, I'm actually looking forward to having to fab our next PCB design."- P.D., PR Designs Inc.

"I've used Advanced Circuits for two projects and the quality is always excellent. Their turnaround time is quick and I'm always impressed with the PCBs when they arrive." - E.O.

Get a Quote on Expedited PCBs!

Advanced Circuits offers several convenient options for getting a quote for PCB manufacturing and assembly. Customers can do any of the following:

1. Register Online at www.4pcb.com and get an online instant quote.
