The Police and Armed Special Task

Force (STF) which was constantly intimidating, threatening and erecting road blocks to prevent the Tamil's walk, did not make any arrests of the Sinhalese mob for attacking Tamil's Walk For Justice participants. Raising fears that the Police and Special Task Force (STF) are openly siding with the majority Sinhalese community and allowing attacks on the Tamil minority.

Appeal includes a request to Refer Sri Lanka to International Criminal Court (ICC) for War Crimes, Crimes Against Humanity and Genocide committed against the Tamil people by the Sri Lankan State."
