Ready to enjoy exceptional retirement living, but waiting to sell your home?

CONSIDER IT SOLD!

Franciscan Ministries is partnering with Moving Station to host a webinar that will cover the latest real estate trends and how to prepare for a move to a senior living community.

Patrick Fitzgerald, the vice president for client relations at Moving Station, is the guest speaker for the presentation, which will be held at 10 a.m. and 3 p.m. on Feb. 9 and Feb. 10. [Click here](#) to reserve your seat for one of the sessions.

The COVID-19 vaccine rollout and subsequent economic recovery are expected to lead to a strong real estate market in 2021.

Partnered with Franciscan Ministries, Moving Station can help older adults and their families navigate the home sale process with confidence and less stress by connecting them with a dedicated Personal Relocation Manager. Along with a Relocation Manager, clients receive personalized Market Analysis Reports developed in partnership with local real estate experts.

Additionally, Moving Station managers will review the information to educate older adults on their home's most probable sale price, local market conditions and the current competitive landscape. You can also find out if a home qualifies for a QuickBuy® immediate offer, which allows people to sell their home safely, bypassing showings and home sale preparations, and closing in as few as 14 days.
