Since 1952 the Family matriarch has crafted a tradition of excellence in all facets of the culinary arts. Coffee is no exception, the family tradition of selecting and roasting green coffee in Costa Rica has grown and found a home in Harlem NY. The family travel to America in the 1960S and so did the craft of carefully selecting coffee beans and roasting them in small batches. The picture of "Mami" the family matriarch is proudly featured on every bag with family history.

This Valentine packaging will be a very limited edition for the Valentine celebration.
