The National Association of the Remodeling Industry (NARI) named Swift Companies, LLC in Columbia, Missouri, NARI 2021 Regional CotY (Contractor of the Year) Winner for Region 3 North Central for the Residential [Kitchen](#) \$60,001 to \$100,000 category in its' annual awards competition.

Our clients wanted a kitchen renovation that looked like something they saw on Pinterest, with lots of light, an open, airy feel, and still practical for daily living. We took the time to understand their desires and suggested a remodeling plan that could help make their dream come to life. The result was a welcoming and illuminated space that enhances every gathering. Swift owner, Ryan Payne said, "I'm so happy to be recognized by NARI with this great award. It's truly the result of having an amazing team with a passion for excellence and a mission to make our clients' dreams come true."

Each year, NARI presents CotY Awards to members who have demonstrated outstanding work through their remodeling projects. The CotY Awards are the highest form of recognition by industry leaders and peers. NARI received nearly 435 entries from across the United States representing over \$128 million in remodeling projects.

"This year's submissions were outstanding, making the job of our esteemed judges very difficult," said Tracy Wright, Senior Director of Membership and Chapter Services at NARI. The judging panel representing industry experts selected winners based on problem solving, functionality, aesthetics, craftsmanship, innovation, and degree of difficulty.

The CotY Awards allow its members to celebrate those who are committed to design, best practices, integrity, high standards, and professionalism. NARI will honor all Regional Winners and announce the National Winners April 30, 2021 in a virtual presentation. Visit nari.org for more information.
