

Biden Must End Sanctions, Embargoes and Tariffs Amid Yemen Bombing Crisis—2018 Candidate for Governor Larry Sharpe

As President Biden ends military aid to Saudi Arabia in their war against Yemen, now is the perfect time to end ALL US sanctions and embargoes.

NEW YORK, NY, UNITED STATES, February 9, 2021 /EINPresswire.com/ -- "Ending all sanctions and embargoes now IS an American First Strategy. Our culture of freedom is far more powerful than any bomb we could ever drop." - Larry Sharpe

President Biden has an amazing window of opportunity. Larry Sharpe, host of [The Sharpe Way](#) and Libertarian Party Mises Caucus [Advisory Board member](#) addressed Joe Biden's stated position on peace in Yemen as the beginning of a plan to end all sanctions, worldwide. As President Biden calls for the deescalation of war in Yemen, Iran says the time is right to talk.

"The Biden administration should create a plan to remove ALL sanctions and ALL embargoes within the next 6 months. This would immediately spur economic hope and growth in our nation and abroad. In addition, it would move our enemies closer to becoming our friends, making the world safer." - Larry Sharpe

Economic sanctions against Russia have not worked to foment change. Violence from the Putin regime is escalating despite economic pressure on Russian civilians. An end to sanctions and punitive actions would increase stability in the region and make cooperation more likely, according to Sharpe.

The 20th century saw massive declines in poverty due in large part to free and open trade (World Bank Group. "A Measured Approach to Ending Poverty and Boosting Shared Prosperity", 2015). Larry Sharpe calls on President Joe Biden to:

- End all embargoes
- Stop all sanctions
- Cease the trade wars and all obstructions that are hurting innocent people
- Pursue openness and goodwill with all countries to allow the US to recover from the devastating COVID-19 lockdowns

Government shutdowns of sectors of the economy in response to the Coronavirus pandemic have ravaged our supply chain. Basic necessities from toilet paper to glass have been in short supply, slowing the production of vital supplies. The production and distribution of COVID-19 vaccines and other medications may be hampered, with great costs to health and human life.

Doctors agree that access to vaccines saves lives, particularly among older demographics and low income families. Glass and reagent shortages due to government mandates that impact the supply chain can result in vaccine shortages.

The fastest way to bring relief is to end the lockdowns, tariffs, and all other impediments to free trade, according to Sharpe, who considers the world to be in crisis, where human rights and

suffering should override politics. It's time to actually be righteous and help all people to be better and advance towards life, liberty and the pursuit of happiness, according to Sharpe.

Larry Sharpe calls on President Joe Biden and his administration to lead by example by ending all the trade wars and pursuing growth, safety and goodwill on the international stage.
