World Sound Healing Day '21 Earth, Sound & Music, Valentine

Co-create a sonic Valentine for Earth on 2.14.2021

Italy will be playing. More than 100 sounders and musicians are offering events on the events portal at worldsoundhealingday.org.

How can I participate: Join one of the many events posted on the World Sound Healing Day Events Portal (worldsoundhealingday.org/events). Or sound personally anytime, any place, in addition to the scheduled online events. "Sounding live from your time zone location on February 14 will help create positive shift and change for our planet," says Goldman.

The purpose of World Sound Healing Day is to:

1). Heal Our Planet

2). Heal Our Waters

“

Let's bathe Earth in a field of Light & Love through Sound every moment of the day! Together we can create symphonies of consciousness that can change available frequencies with our own sounds!"

Jonathan Goldman

3). Raise Our Consciousness

Science and Spirit have shown us that intentionalized sound is quantum in nature and has the ability to interface with the very field of our planet. Data measuring the effects of World Sound Healing Day provided by the Global Consciousness Project at Princeton University, the Global Coherence Initiative, and other organizations shows great promise with regard to the power of consciously created sacred sound to help create positive shifts and changes for ourselves and our planet!.

Everyone Is encouraged to share the event and participate

in World Sound Healing Day. The worldwide gathering can birth celebratory activities that bathe Earth in a field of Light & Love through Sound every moment of the day! Together we can create symphonies of consciousness that can change available frequencies with our own sounds!

THROUGH OUR LIGHT, OUR LOVE & OUR SOUNDS,
WE CAN MAKE A DIFFERENCE!
