The CBDistillery 5000MG full spectrum CBD Oil is one of the highest concentrations available in full spectrum, featuring a whopping 167MG of full spectrum CBD oil per serving.

CBDistillery's Full Spectrum Oil Tinctures combine the powers of CBD oil and other naturally occurring plant proteins, minerals, vitamins, and more so that you can reap all of the benefits of the cannabis plant without any

potentially intoxicating effects. Full Spectrum Oil Tinctures include <0.3% THC. When you use CBDistillery CBD Oil Tinctures, you can be assured you're using the highest quality CBD on the market.

All CBDistillery products are third-party lab-tested to ensure the highest quality and consistent dosing.

“You can rest assured you get what you pay for! People choose full spectrum CBD because it

contains the full assortment of cannabinoids, flavonoids and terpenes from the hemp plant. This will help you benefit from the entourage effect. It is also the least processed of all the spectrums," says a spokesperson for The CBD Haven.

The CBDistillery CBD products are quality tested in labs for purity. These are the highest grade, purest CBD products one will find in the market anywhere. CBD is a whole plant extract and carries the full spectrum of all naturally occurring cannabinoids and terpenes. CBDistillery products are ranked on top of many preferred lists of CBD brands.

The CBD Haven e-commerce platform provides a seamless experience from browsing through a vast selection of CBD products to fast delivery to all 50 states.
