

Israeli Author Writes Bestselling Self-Help Book Endorsed By Deepak Chopra

American-Israeli author, Moshe Gersht, releases his debut spiritual self-help book titled *It's All The Same To Me* on February 16th and garners high praise.

JERUSALEM, CALIFORNIA, ISRAEL, February 11, 2021 /EINPresswire.com/ -- Today, American-Israeli author and speaker, [Moshe Gersht](#), is a sought out spiritual teacher in Jerusalem. But before moving to Israel, Moshe spent nearly a decade touring the states as the singer and songwriter for a popular Los Angeles based rock band, opening up for acts such as The Plain White T's, All Time Low, and Yellowcard.

After experiencing a spiritual awakening, the next fourteen years were spent in deep spiritual practice and in-depth study of Torah, Kaballah, and Chasidus. Gersht seamlessly connects and expresses these fundamental spiritual ideas with universal principles of psychology, spirituality, and self-development. Understanding the true nature of the human mind and our collective struggles, he has devoted his life to helping people align with their purpose, peace, and inner joy.

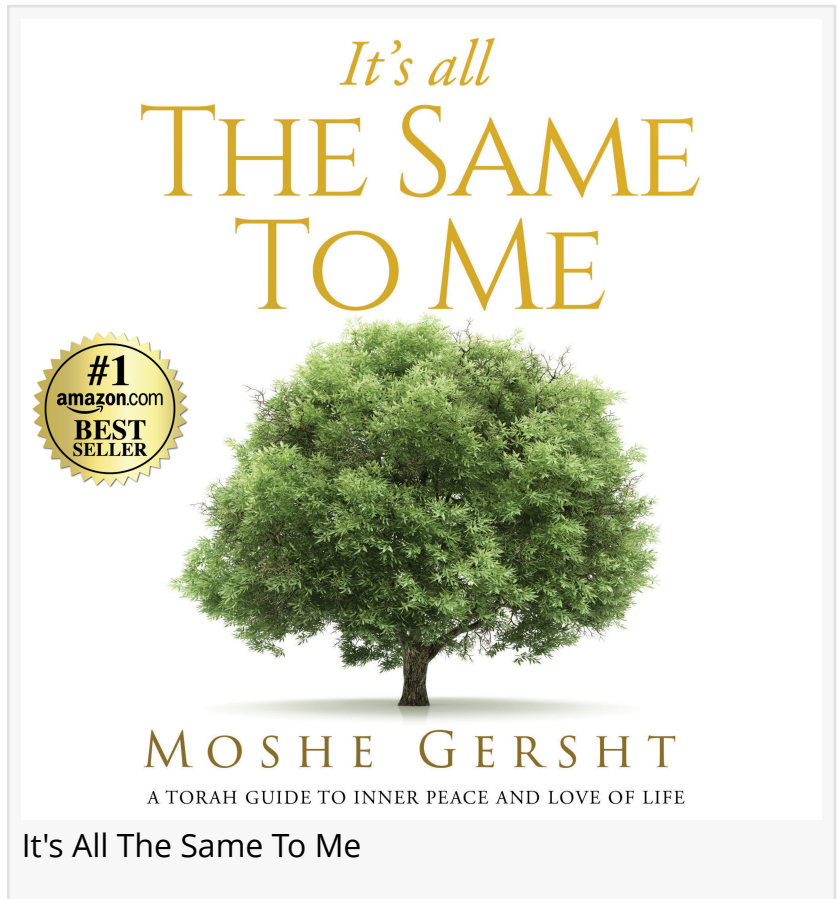

“

Lots of gratitude for adding this contribution to the world's enlightenment.”

Deepak Chopra

With thousands of copies pre-ordered and already an Amazon bestseller, On February 16th 2021, Gersht releases his new spiritual self-help book, *It's All The Same To Me*, which has garnered the attention of many other spiritual leaders, Deepak Chopra, Bob Doyle, and Rabbi Manis Friedman among them. A book that promises to

deliver a fresh new look at consciousness, happiness, and loving the life you live, he is now reaching a global audience that is captivated by his work. Sensitive and soft spoken, his care for

those he teaches and guides is palpable.

With a sincere desire to help calm the emotional storm that began in 2020, Moshe addresses the ultimate cause behind our greatest fears and charts a way forward for us to unite, experience our innate joy and connection, and inner peace through harnessing the power of sameness.
