

Attorney at Law Evans Agrapidis Featured in Exclusive Interview

JERSEY CITY, NEW JERSEY, UNITED STATES, February 11, 2021 /EINPresswire.com/ -- Evans Agrapidis was recently featured in an exclusive interview with [Inspirey](#). He primarily shared insights he has learned throughout his career as an attorney at law.

For more than 30 years, Evans Agrapidis has been a partner in his law firm Agrapidis & Maroules in the State of New Jersey, specializing in personal injury cases.

In the interview, Agrapidis shared the origins of Agrapidis & Maroules.

"I met my law partner on a case that I was working on. He was older than me and he asked if I might ever be interested in joining him and starting our own practice. I decided to take a chance and we've been working together for more than thirty years," said Evans Agrapidis.

Over the past three decades, since he and his partner opened Agrapidis & Maroules, the two have developed an impressive portfolio of 12,000-plus cases and have earned tremendous respect from their clients.

"There was a time where we became so busy that we actually had five different locations. I was running to each of them in different cities in New Jersey and one in New York. Having those locations and seeing them thrive was a very satisfying moment," said Evans Agrapidis.

On a more personal note, Agrapidis discussed the traits that make him a successful leader and what advice he would give to his younger self.

"The people skills that my parents helped me develop and my faith in God have made me successful. I try to take a real humble and compassionate approach with my staff and my clients," said Evans Agrapidis.
