ground transportation, a carnival costume and every amenity needed to ensure their guests had a carnival vacation experience of a lifetime.

"I am excited about the partnership; our members usually travel to carnivals in the Caribbean 3-4 times a year and have not been able to do so because of the pandemic. This has been a hard couple of months for most and this partnership with House ParTty will allow our members to experience the joy and bliss of J'ouvert Monday Morning from the safety of their home" Shola Thompson, Carnival Hunters CEO.

"Partnering with Carnival Hunters is an organic union because we also see ourselves as a concierge brand because we arrange everything needed to bring the party and the good vibes to our guest. We specialize in home entertainment and during these times, because of COVID19, we can't congregate, so we have mastered bringing the energy, good music and excitement to our guests virtually so that they get to stay home and party in their own space safely with a few friends, family or even by themselves." Hans Des Vignes, House ParTty co-owner.
