

# BestKnownHost: WordPress Solution for Entrepreneurs and Small Businesses

*BestKnownHost is one of the most affordable web hosting service providers today which offers shared WordPress hosting, email, e-commerce, and VPS hosting.*

LONDON, ENGLAND, February 11, 2021 /EINPresswire.com/ -- [BestKnownHost](#), a leading provider of shared, VPS, and dedicated hosting today announced the launch of a new easy-to-manage WordPress solution for entrepreneurs and small businesses, and content creators. Managed WP for

BestKnownHost is designed to provide entrepreneurs and small business owners with the power of WordPress in a high performance, reliable, and secure platform that is easy-to-use and makes building a compelling WordPress-powered website simple and stress-free.

“

BestKnownHost is one of the most affordable web hosting service providers today, and it offers shared hosting, WordPress hosting, email hosting, e-commerce, and VPS hosting.”

*Dean Jones*

In the era of digitalization, it's vital for every business to have an online presence. Web hosting, a service that allows individuals, businesses, and organizations to make their website accessible via the Internet, is considered one of the most important investments to put businesses online for increasing brand awareness and customer engagement. This latest enhancement to BestKnownHost's offerings is in line with the company's long-term strategy of innovation in the web services space and providing its customers with industry-leading products, services, and

customer support.

"WordPress is a dynamic and elegant tool for website design and creation. Coupled with the power of the BestKnownHost platform, [Optimized WP for BestKnownHost](#) will leverage the best of both technologies to provide consumers with a superior experience for managing their WordPress sites," said Yvonne Jones, Vice President for Marketing. "We're thrilled to work with

With over 20 years' experience, best known host has everything you need to start your online journey.

WordPress to bring this powerful tool to BestKnownHost."

In addition, BestKnownHost has a team of WordPress design consultants that can help get entrepreneurs and small businesses started with a WordPress site quickly. With three pricing plans to choose from, BestKnownHost customers can select a WordPress solution that works for their needs today and scales with their business as they grow.

"With Optimized WP, our customers will have a more simplified and seamless experience. And, with free migration and access to consulting time with our BestKnownHost WordPress experts, switching to Optimized WP for BestKnownHost can be accomplished quickly and easily."

How does your version of WordPress differ from other installations? It doesn't. BestKnownHost start you out with the latest version of WordPress, the same one you'd download from WordPress.org. And anytime there's an update, BestKnownHost installs it for you automatically. You never have to hassle with installing another update or worry about running an outdated or compromised version of WordPress.

After I purchase WordPress Hosting, how do I get started?

Not sure how to create a blog or get started creating your site using WordPress? Don't worry! Your hosting plan is seamlessly connected to the latest version of
