Heavenly Portable Walk-in Tubs top priority is to ensure that all of their products are compliant to existing quality-standards. They have received the endorsements of: TUV Rheinland, Intertek, Arthritis Foundation Safe Use, and UL which all strengthen their reputation for quality. Every Portable Walk-in Tub conveniently comes with a secure, Limited-Lifetime-Warranty. If you are searching for an immediate solution to a senior's bathing needs, their custom-financing is a great solution so that anyone can comfortably afford a premium bathing solution.

Heavenly Portable Walk-in Tubs is the Best Portable Solution for Daily Hygiene. Foremost, their portable-tubs are easy-to-use and affordable. You can move their convenient tubs to any room of choice so that older and/or disabled individuals themselves do not need to move. Their premier tubs come fully ready-to-go with fixtures, a faucet and shower-head, as well their proprietary Quick-Connection-Water-Box. Everything you need to connect the water and drain-lines to your existing plumbing-outlets, as well as a temperature dial, is conveniently included.

The Flexibility of a Heavenly Portable Walk-in Tubs is the Major Benefit. Ease-of-use means no remodeling necessary. In the event of relocation, your tub is simple to move which also makes the work of a caretaker significantly easier. The elderly's daily hygiene-needs are some of their most important tasks, and their new portable bathtub will truly assist with that task. Every portable bathtub is completely assembled. There are three tub options to choose from: (1) Standard Walk-in Tub, (2) Deluxe Portable Hydrotherapy Tub, and a (3) Standard Portable Soaker Tub.

Avoid the Cost of a Messy Remodel with a Heavenly Portable Walk-in Tubs. Before you resort to the high-expense of renovating your bathroom, please carefully consider their tub and know that their excellent, cost-effective alternative will perfectly addresses your loved ones needs. All 'other' walk-in tubs on the market today are designed to be built-in to the space where your existing bathtub is; that's expensive and disruptive. This literally means a 'tear out' of your existing bathroom. Heavenly Portable Walk-In Tubs offer you complete-freedom and the ability for your loved one to conveniently enjoy a bath.

Bathrooms are Dangerous. Falls are the leading-cause of fatal and non-fatal injuries for older Americans. Falls threaten seniors' safety, independence and generate enormous economic and personal-costs. Falls, with or without injury, carry a heavy [quality-of-life](#) impact. Older adults fear falling and, as a result, limit their activities and social-engagements. This can result in further physical decline, depression, social isolation, and feelings of helplessness.

One of the main reasons people move into an Assisted-Living-Center, or Nursing Home, is because bathing at home safely is an issue. According to the U.S. Centers for Disease Control and Prevention:

- One-in-four Americans aged 65+ falls each year.
- Every 11 seconds, an older adult is treated in the emergency room for a fall.
- Falls are the leading cause of fatal injury. Every 19 minutes, an older adult dies from a fall.
- Falls result in more than 2.8 million injuries treated in Emergency Departments annually.
- Falls also include over 850,000 hospitalizations and more than 30,000 deaths.
- In 2020, fall-injuries total-cost was over \$60 billion.
- Medicare/Medicaid covered 75% of these costs.
- The financial-toll for older-adult-falls is expected to increase to \$70 billion by 2022.

Hydrotherapy Treats Aches-and-Pains. There is a solid body of research that clinically supports the use of jetted tubs and warm-water immersion in order to promote physical healing in addition to an increased sense of well-being. Water and air-massage jets help soothe aching muscles and relieve stress and tension. Many Americans suffer [from arthritis](#) of the hands-and-feet which makes every-day-living painful. Hydrotherapy can be especially useful to treat the joint pain and stiffness associated with rheumatoid arthritis (RA).
