Fred Mercaldo, CEO of [Geocentric Media](http://GeocentricMedia.com), Inc states: "The addition of these 10 names makes this offering even more impressive. Our company specializes in representing pure geographical brands; we are certain that TheMiddleEast.com is one of the most recognizable, credible, memorable, trusted, authority recognition and brandable names in the world. Natural direct type-in traffic,

combined with a high level of organic rankings, will ensure the new owner of these incredible names will enjoy dominant market share for everything pertaining to the Middle East. Whether the new owner desires to focus on the political climate and news delivery and current events, or take advantage of the \$80B annual tourism opportunities, having the credibility of TheMiddleEast.com as your digital brand is the obvious choice for the right organization. The Middle East is home to over 400M+++ people. This powerful geo-domain brand name is a game changer for a company that desires to be the dominant digital portal for all things related to The Middle East."

Mercaldo firmly believes that TheMiddleEast.com and the related portfolio is a \$1M+++ asset, the owner is motivated to sell this name to the right party, and offers in the mid to high six figures will be considered.
