

American Warrior Festival Announces Launch of Virtual Event Series

Organization Creates Virtual Events to Safely Reach More Veterans

SHERMAN OAKS, CALIFORNIA, UNITED STATES, February 15, 2021 /EINPresswire.com/ -- [American Warrior Festival](#), in partnership with parent company [Strength In Numbers Entertainment](#), is proud to announce the launch of their national virtual event series in their ongoing efforts to support our country's veterans and those currently serving in the United States Armed Forces.

The entertainment organization is making its return after the unprecedented circumstances of last year, which caused the team to pause on some of their most anticipated live events.

American Warrior Festival's spring virtual events are currently open for registration and end on March 25th, 2021, with more events to follow. All are welcome to register to attend virtually and can participate at their own pace.

"Obviously, we were forced to hit the pause button just like everyone else when the pandemic hit; however, we found that the hiatus allowed us to rebuild and refocus on our mission, and we created an even better experience for our veterans and their families. With this new virtual platform, we are now able to reach more veterans, and further spread our message," says Dan Clor, American Warrior Festival Founder and Owner, Marine Corps Veteran, and host of The American Warrior Festival Podcast.

Virtual Events Details:

2021 AWF Medal of Honor Marksmanship Competition

You can register and enter your score anytime between now and March 25th, 2021.

What you will do:

To begin the drill, draw at the sound of the shot timer/verbal command/other signal and engage the target ten times within the 10-second time standard. The objective is to score as many points as possible within the allotted time. Any ties resulting from points in a competition setting are broken by referring to the individual time; the next tiebreaker goes to the fastest engagement of

the target.

Once you complete the drill:

1. Post your video in the "Discussion" area of the Facebook event page.
2. Enter your score into the leaderboard.
3. All participants who have completed the drill and entered their time into the system will be entered into a prize drawing to be held on Medal of Honor Day, March 25th, 2021. You will also receive a 2021 American Warrior Festival Medal of Honor T-shirt for completing the event.

"Our sponsors and team make this all possible. The tremendous support from local and national

organizations, private businesses, individuals, ticket sales, concessions, and merchandise all go to help our veterans," adds Clor. "This is just the beginning; get ready for more great news to come!"

A VA study on mental health concluded that, on average, 20 Veterans commit suicide a day and that the suicide rate is highest among veterans between 18 to 29. The American Warrior Festival and Strength In Numbers Entertainment mission is to help support organizations working toward veteran suicide prevention. Help us defeat these horrific statistics through donations, participation, and sharing with others. It's important to get our message out there, especially during these difficult times.

Partial proceeds from registration for each event go to veteran organizations such as The War Fighter Community Foundation, Mission 22, and Broken Warriors Angels.
