

Louisiana Mesothelioma Victims Center Appeals to the Family of a Person with Mesothelioma to Ignore TV Car Crash Lawyers and To Call Attorney Erik Karst of Karst von Oiste For Much Better Compensation Results

NEW ORLEANS, LOUISIANA , USA, April 16, 2021 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center says, "We are appealing to the immediate family of a person who has just been diagnosed with mesothelioma anywhere in Louisiana to steer clear of TV car accident attorneys who are suggesting they can help with a mesothelioma compensation claim. If your loved one has mesothelioma in Louisiana please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 for a serious conversation about mesothelioma compensation. Erik Karst of Karst von Oiste is one of the nation's leading mesothelioma attorneys-and this is all they do. Attorney Erik Karst of Karst von Oiste does not do car accidents.

"We are advocates for people with mesothelioma in Louisiana and we want people like this to get the best possible compensation results. Aside from not calling a local TV commercial car accident attorney-we are also urging people with mesothelioma or their family members to not order what sound to be 'free' booklets, kits, guides, calculators, publications, or anything else-unless they want to be hounded by lawyers they have never heard of before-night and day. If you or your loved one has confirmed mesothelioma in Louisiana please call attorney Erik Katst of

Karst von Oiste anytime at 800-714-0303 so at a minimum-he can explain how the compensation claim will work and what it might be worth. Frequently mesothelioma compensation claims can exceed a million dollars as Erik Karst is always happy to discuss."
