

# Cyber Investigative Solutions from Zürich, Switzerland - New and old Blockchain Investigative Agency

*The Cyber Investigative Solutions is a Department of the Swiss Security Solutions LLC with Head Office in Zürich, Switzerland.*

ZÜRICH, SWITZERLAND, February 16, 2021 /EINPresswire.com/ -- On the Internet you will find a very small number of the Blockchain Investigative Agencies so-called Cryptocurrency Investigative Agencies or Bitcoin Investigative Agencies, as the matter a fact you will find only one which is compliant with international laws and regulations - [Cyber Investigative Solutions from Zürich, Switzerland](#). The Cyber Investigative Solutions is a Department of the investigative corporation Swiss Security Solutions LLC in Zürich, Switzerland.

Blockchain Investigative Agency - Cyber Investigative Solutions

“

There is one thing in the world that deserve no mercy - fraud.”

*FWR*

There is one other blockchain investigations provider registered in UK but with workforce in Vancouver, Canada and USA which has only EMail contact and has no phone number on the website, on the end they will ask you for a minimum Retainer of USD 3500.- per case. The experiences seen, show that after they receive your Email,

they are going to forward it to another private people outside the company, without contacting you, which means that they are working without Data Privacy Compliance, as they are going to share your information to unknown people and without your approval.

What is different at Cyber Investigative Solutions from Zürich, Switzerland?

They are Data Privacy Compliant and working according to the international and Swiss laws and regulations. They are not going to forward any of your data or Emails to unknown persons, or without your approval. You can [Open your Case Online](#) anytime, the minimum Retainer Fee is

USD 2250.- per "Crypto" case, a way lower of the another Blockchain Investigative Agency. The most important for clients is that Cyber Investigative Solutions has USD 10 Mill. Corporate Liability Insurance per Case, and they are only investigative Agency in the World providing so high Service Guarantee.

What about investigative and forensics experiences?

The Cyber Investigative Solutions was working on cases worth more than USD 3 Billion, and the another agency was working on cases up to few

millions of dollars. On the other side, the Cyber Investigative Solutions is providing all kind of services about cyber crimes including integral services with field investigative solutions which is important to locate the funds and involved criminal organizations, as well as to think outside the box.
