CHICAGO , ILLINOIS , USA, April 15, 2021

[/EINPresswire.com/](http://EINPresswire.com/) -- According to the Illinois US Navy Veterans Mesothelioma Advocate, "If you are a Navy Veteran or person with recently diagnosed mesothelioma in Illinois or their family members please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 to discuss how the mesothelioma compensation process works, what might be involved and what your claim might be worth. Mesothelioma compensation frequently exceeds a million dollars-provided the attorneys the person with this rare cancer hires know-what they are doing. Erik Karst of Karst von Oiste is one of the nation's leading mesothelioma attorneys-and knows what he is doing.

"The biggest mistake a person with mesothelioma or their family members can make is to start impulsively signing up for 'free' kits, guides, booklets, calculators and other nonsense unless they want to start a lawyer stampede to your home, and or lawyers calling the person with mesothelioma-everyday, all day, weekends included. The last thing a person with mesothelioma needs is to be hounded around the clock by lawyers they have never heard of before. If you or your loved one in Illinois has just been diagnosed with mesothelioma-please call attorney Erik Karst of Karst von Oiste anytime at 800-714-0303. We think you will be glad that you did."
