innovative research that treats cancer while sparing the patient. CARES, which stands for Cancer Alliance for Research, Education, and Survivorship, is creating a cancer network built upon strong partnerships with leading institutions, cancer support groups, and researchers to improve the quality of life and provide better outcomes for those living with cancer.

About Scott Hamilton

Scott Hamilton, a figure skating icon and cancer survivor, has long been leading the charge to fund innovative cancer research. Known for his signature jaw-dropping backflips, Hamilton and his Foundation are on a mission to Turn Cancer Upside Down™ by providing critical funds to expert researchers in immunotherapy. These treatments will not only save lives but spare cancer patients the toxicity of traditional treatments, advancing survivorship and quality of life during and after treatment.
