

Zoompass Increases Revenues and User Base by Entering Into an Agreement with Titan Digital

Zoompass (ZPAS) launches platform for Titan Digital Exchange Inc. a Cryptocurrency Exchange & Trading Platform

TORONTO, ONTARIO, CANADA, February 18, 2021 /EINPresswire.com/ -- Zoompass Holdings Inc. (OTCQB: ZPAS) ("Zoompass" or the "Company") is pleased to announce that its subsidiary, BlockLine Solutions Pvt. Ltd. (<https://blocklinetech.com>) has entered into a platform development and maintenance agreement with Titan Digital Exchange ("Titan"), a SEC and FINRA compliant cryptocurrency exchange for issuing STO's and trading pairs.

Zoompass' BlockLine Solutions Pvt. Ltd. is responsible for designing, implementing and maintaining Business to Business (B2B) [blockchain](#) based technologies. Per the agreement, BlockLine Solutions Pvt. Ltd. will provide backend infrastructure of the platform. Additionally BlockLine Solutions will receive revenues from Titan DX based on an annual revenue sharing model, providing Zoompass with a highly scalable source of annual revenue.

The agreement allows Zoompass to achieve a number of its strategic initiatives, discussed in the Corporate Update provided on February 2, 2021, that include but are not limited to being a leader in Blockchain as a Service (BaaS) as well as cryptocurrency exchange focused verticals.

Zoompass is in the position to assist institutional and retail cryptocurrency investors with technological advancements allowing for mainstream adoption. These types of partnerships allow the Company to leverage its expertise to create future arrangements including but not limited to: licensing, strategic partnerships and joint ventures.

TitanDx.CA was launched in Canada as beta mode on 29th September 2020 to selected investors and associated users and now supports more than 20+ market pairs and accepts nine key trading crypto currencies (including BTC, LTC & ETH).

Titan currently operates an OTC trading desk and plans to further expand its userbase by migrating existing offline OTC investors to the TitanDx platform.
