“

It’s extremely important to us that we hear your ideas for Downtown and what it can be.”

Krystal Onaitis, Covington City Manager

“We’re very excited to hear from folks who live, work and play in our City, on how we can work collaboratively to preserve and prosper through our planning efforts to revitalize our Historic Downtown District, to make Olde Town Covington become a place that resonates with all,” said Covington City Manager Krystal Onaitis. “It’s extremely

important to us that we hear your ideas for Downtown and what it can be.”

The City received a Business District Revitalization Planning Grant through the Community Development Block Grant (CDBG) program administered by the Virginia Department of Housing and Community Development (DHCD). These planning grant activities will allow the City to complete the preparatory work necessary to pursue a CDBG Business District Revitalization Community Improvement Grant to implement the projects identified through the planning process.

Participants are asked to please include as much detail in their answers as possible to ensure all areas are covered in the planning process. The survey deadline is March 3, 2021.
