LOS ANGELES, CALIFORNIA , UNITED STATES OF AMERICA, February 17, 2021 /EINPresswire.com/ -- Are you ready dreamers? This is the moment that we've been waiting for. [Project Dreamers](#), a story of hope and inspiration.

[4th Impact](#) is not just your typical girl band from the Philippines. They inspired people from all walks of life.

"Hyun Jae- "My name is Jobs. There was a time I wanted to give up, feeling sad, broken, and tired of everything, but because of 4th Impact I didn't give up. They always tell us Dreamers to never give up in any situation because there is a God who loves us so much and these struggles are a part of our life that will make us strong. We just need to trust God. I always remember that Celina says 'Never stop dreaming. Eventually dreams do come true. Believe, achieve."

MJ Racadio has this to say..."I really believed with the talents of 4th Impact, I wanna bring them here in the U.S. They inspired so many people especially theirs fans called Dreamers and I am one of them. Believe it or not, I found myself laughing out loud watching one of their videos mimicking Tina Turner".

They rose to fame from joining various talent competitions but the notable one was U.K. X-Factor which catapulted them to stardom. This special short documentary was compiled by Die-hard fans of 4th Impact called Dreamers. It will have its World Premiere on Blogtalk with MJ Racadio (Facebook & YouTube), February 17, 2021, at 8PM Pacific/11 Eastern, February 18, 2021, at 12 noon (Manila Time).
