MODA UNIVERSE COMPETITION invites you to experience a true fashion runway; acting, pageant, dance, it is up to you. We are the only organization that allows YOU to decide your professional track. We encourage you to choose to focus on entertainment, modeling, dancing, signing, philanthropic causes, or a combination of all of them. Most organizations will put you into their box, but we want you to choose your box and we fill it with our wide network of resources. 2021 is the year to focus on your training and networking so you can continue opening doors; and when the pandemic is over you will be at your highest level of performance.

We embrace all. We are inclusive, not exclusive. How are we different? Our core team is comprised of women who come from all walks of life who have worked in, as well as educated and groomed women, children and men in the industry. We partner with professional women and men throughout the industry. We believe it takes a village, and with you we are the village. The time is now to continue the work in advocating for positive self-image, self-love and self-confidence, while working to eliminate bullying and other negative things that are tearing us down. We can provide you the tools to embrace yourself, and provide a support network that will ensure the sky is the limit!
