The award-winning agent discusses reasons selling with his team sells homes 3 times faster.

Cindy, who is also a real estate broker and owns a company in Oklahoma, noted that it was important to her to choose a broker who had systems in place and who could get her top dollar for the home.

"I have nothing but good things to say about Rudy and his team." Cindy said. "I would recommend anyone who needs to sell a home in the Southern California area that you call Rudy." She continued.

In addition to celebrating Rudy Lira Kusuma reviews and Top Agent status, the broker and his Your Home Sold Guaranteed Realty team also took the time to share the top 3 reasons why home buyers and sellers choose to work with them. According to the broker, one reason is that

the listing is guaranteed to sell or the broker will buy it himself, another is that homes the team sells sell for more than \$17,500 above average sale prices, and finally, the team also has access to 25,267 buyers in waiting.
