

Leader in robotics for fulfillment of warehouses and storages raised USD275M from Global Private Equity Partners

The sole provider of the USD275 Million credit facility was Global Private Equity Partners, leader in Global Private Equity and Funding Services.

NEW YORK, NEW YORK, UNITED STATES, February 21, 2021 /EINPresswire.com/ -- Leader in autonomous robotics for fulfillment of warehouses and large industrial storages, raised USD275 Million from [Global Private Equity Partners](#).

The sole provider of the USD275 Million credit facility was Global Private Equity Partners, leader in Global Private Equity and Funding Services.

The robotics manufacturer will use the new funds to further expand its market opportunities around the Globe and support ongoing research and development (R&D) to grow and enhance its warehouse technology solution. Global Private Equity Partners hold a 25% equity. The CEO of the robotics manufacturer is a multi-bot solution that incorporates intelligent autonomous mobile robots that operate collaboratively with human workers to improve piece-handling productivity.

This solution helps retailers, 3PLs, and specialty warehouses meet and exceed the complex requirements of fulfillment environments, integrating into existing warehouse infrastructures without disrupting workflows, [transforming productivity without transforming the warehouse](#). The company currently serves more than 120 customers and 200 warehouses around the world with its solution. Company's robots have picked more than 500 million units, including 90 million units during the recent holiday season.

[About Global Private Equity Partners.](#)

Strength, Solutions and Growth

At Global Private Equity Partners, we apply our strengths as a Leading Global Investment and Advisory Firm to deliver solutions, unlock value and propel growth. Our capital fuels the development of businesses and communities. Our strategic advice helps companies and governments stabilize, grow, and thrive during these challenging times. We invest in emerging markets and entrepreneurs that will be the wellsprings of future opportunity. Over 700

employees focus on making our clients' private markets investment programs a true success. That is all we do. And we do it with passion.

Our culture is expressed through five guiding principles:

Winning together – We operate seamlessly across geographies and functions as one wealth management group. We look for opportunities to help others accomplish goals in investment banking, asset management, etc. and actively contribute to the firm's successes. We have a low tolerance for bureaucracy and politics; and invite open discussion.

Client focus – Our clients' interests always come first. We are committed to flawless execution and going the extra mile for clients. We deliver on promises but never promise what we can't deliver. We stress innovation, creativity, quality, and dedication and are always solutions-driven.

The best people – We strive to hire, develop, and retain the best professionals in the business. We recognize, foster, and reward merit, while encouraging training and development to maintain and enhance our professional expertise. We are committed to valuing and leveraging diversity in our people. Our commitment to diversity has been embedded through our wide support of employee networks. The networks work in partnership with the group to foster an inclusive environment and raise diversity awareness within Global Private Equity Partners. Senior managers across the group are committed to ensuring that diversity is integral to our business strategy through their membership of global and regional diversity committees and their support of strategic diversity action plans.

Trusted – We expect the highest ethical standards to be maintained and seek compliance with the law and regulations. We acknowledge mistakes and encourage constructive disagreement. In everything we do, we focus on the processes and controls to protect the Global Private Equity Partners brand.

Pioneering – Our pioneering spirit delivers superior solutions for our clients. There is widespread awareness and pride in our firsts, evidence that we are already delivering an inventive spirit. It strikes a chord with each of us individually, making us feel that we have lots of ideas to contribute. It also suggests an energetic, ideas-centric, creative organization – something each of us would feel proud to be part of.
