

OFCCP Compliance – What to Expect from the OFCCP in 2021

Attorney Shafeeqa Giarratani to Present at the Upcoming JOBfindah Network Webinar

CONCORD, MA, MIDDLESEX, February 23, 2021 /EINPresswire.com/ -- [JOBfindah Network](#), a leading provider of SaaS-based OFFCP compliance management and [diversity recruiting](#) outreach solutions, announced today that nationally acclaimed labor and employment attorney Shafeeqa Giarratani will be presenting in its upcoming webinar on March 4, 2021, at 2:00 pm EST.

Integrated Solution for OFCCP Compliance and Recruiting Results

Minimize Risk. Maximize Results.

Heightened emphasis on affirmative action and diversity hiring is expected from the newly appointed leadership at the Department of Labor’s Office of Federal Contract Compliance Programs (“OFCCP”) under the Biden Administration. Racial justice and gender equality are in focus as is the emphasis on inclusion, pay equity, and other labor-friendly regulations. From recruiting to retention and growth, these potential changes will significantly impact the human resources function, and businesses need to be proactively prepared.

“

Helping employers with easy and effective diversity recruiting and good-faith affirmative action outreach for OFCCP compliance is our mission.”

Rathin Sinha

“Federal contractors need to be ready for strict enforcement by the OFCCP as well as for possible

legislative changes,” said Shafeeqa Giarratani, member of the Board of Directors Ogletree & Deakins, “they need to be knowledgeable about what is expected and be prepared to take steps for mitigation”.

Federal contractors and sub-contractors are held to the highest standards of equal employment opportunity and affirmative action. Government policies and agendas often guide the

requirements and priorities. With a change of administration with significantly differing perspectives, employers are wondering about the scope and pace of anticipated changes. The webinar is a great venue to learn and collaborate.

“Compliance with the regulations while pursuing superior diversity recruiting results requires technology, processes, and expertise,” said Rathin Sinha, CEO of JOBfindah Network. “Such webinars help our users stay abreast of the developments, prepare with confidence, and use our technology and service to boost results and ensure compliance”.
