SAN DIEGO, CALIFORNIA, USA,
February 24, 2021 /EINPresswire.com/
-- Key Housing Connections, a best-in-class service for finding hard-to-find corporate housing in California

including [San Diego](#) and Southern California, at <https://www.keyhousing.com/>, is proud to announce the winner of its coveted SoCal featured complex to be the 'AVA at Pacific Beach.' Located in sunny San Diego, the complex attracts corporate travelers who want a home away from home in San Diego when they are looking for corporate apartments.

“

San Diego in February is hardly punishment for the busy corporate type.”

Bob Lee

"San Diego in February is hardly punishment for the busy corporate type," explained Bob Lee, President of Key Housing. "We want corporate travelers to find the best-in-class corporate housing in San Diego, and thus have selected the 'AVA at Pacific Beach' as our coveted March 2021 designee."

Interested persons can read the listing at <https://www.keyhousing.com/corporate-rental-properties/ava-pacific-beach>. It explains that AVA Pacific Beach is a newly renovated living space steps from the Pacific ocean, the beach and everything in between. Where bottomless brunches converge with fish tacos, where surfing meets sunning and beach bars meet boutiques, this complex will not disappoint even the most discriminating corporate traveler. As part of a new website, interested persons can also read city specific pages for Southern California such as San Diego (<https://www.keyhousing.com/corporate-housing-city/san-diego/>), Yorba Linda (<https://www.keyhousing.com/corporate-housing-city/yorba-linda/>), and of course Los Angeles (<https://www.keyhousing.com/corporate-housing-city/los-angeles/>). Perhaps even more efficiently, interested readers can visit the sitemap at <https://www.keyhousing.com/site-map/> to browse all available content on the newly improved website.

Here is the background on this announcement. European and British travelers are returning to the Bay Area. While still far from the numbers of 2020, business travelers are starting to return. What is happening is that they are avoiding crowded hotels and looking instead for apartment-style living. The term 'serviced apartment in San Jose' is becoming more commonplace, as apartment complexes learn that a 'serviced apartment' is the European term for what Americans call 'furnished apartments.' Even so, the term means something other than a bustling and crowded hotel during the Pandemic. For this reason, Key Housing is working hard to identify and designate best-in-class complexes that offer this style of corporate or short term housing in San Jose. Not surprisingly, the Villa Torino garnered this coveted award for October 2020.
