"We are very excited to announce our new members of our Board of Directors. We look forward to their contributions in continuing to build The Thinkubator as a community asset that supports the growth and development of youth in the Bronx," said, Dr. Edward Summers, President and CEO of The Thinkubator. "The Board of Directors for The Thinkubator is fortunate to have dynamic leaders in business, healthcare, and science join our ranks. Our collective drive to equip local youth with jobs, skills, and lifelong opportunities, coupled with our love for the Bronx, will pave the way for another year of stellar results through The Thinkubator programming," said Jessica Johnson, Chair, The Thinkubator Board of Directors and President and CEO of Johnson Security Bureau.

About The Thinkubator:

The Thinkubator is a Bronx-based nonprofit organization focused on crafting innovative strategies to complex local challenges that have global implications. The Thinkubator exists to train, educate, and connect Bronx youth to work-based learning experiences, employment, and educational opportunities. The Thinkubator seeks to prepare diverse, low-income youth from the Bronx to succeed in the workplace and the world. The Thinkubator approaches its work through three major areas: education, research, and community.

The Thinkubator Education provides education, career, and work-based learning opportunities for young adults.

The Thinkubator Research conducts research and provides consultancy to the education, nonprofit, public, and private sectors.

The Thinkubator Community concentrates on the intersection of community issues that inhibit communal growth, development, and productivity and combats poverty.

Collectively, The Thinkubator provides a systematic approach to workforce, economic, and community development, educational attainment and combat poverty. The Thinkubator leverages the knowledge, experiences both professional and lived, and agility of its stakeholders to improve the human condition and the institution's effectiveness.
