VANCOUVER, BC, CANADA, February 23, 2021 /EINPresswire.com/ -- As an [SEO](#) company, it's a privilege when critics claim that we are one of the best. We know that claiming to be the best can sometimes be a stretch, that's why client feedback and recognition feels surreal.

There are a lot of competitive players in the SEO industry and it's quite difficult to stand out. The market is tough, that's why we're proud of our achievements. The latest award that we have bagged is from Clutch, a business-to-business review platform.

According to research by Clutch, Optimized Webmedia Marketing is one of Canada's leading SEO companies. In their Leaders Matrix, our company is part of the top 15 in the whole country.

"I was blown away by the level of overall knowledge in the digital space. That was impressive and the results speak for themselves. And growth and reach like this cannot be done without great technical knowledge and skill." — President, Tough Hook LLC
