Local 706 was founded in 1937 by receiving its charter from IASTE, the International Alliance of Theatrical Stage Employees . By joining together, the organizations were able to change conditions and develop a safe workplace, one in which we are paid a decent salary with benefits that are envied by many outside the Union.

James has received the nomination voted by his peers for his hair work on Rufus Wainwright's video "Devils and Angels ", which was released in French and English versions. Rufus's final complete look was to portray an apocalyptic fallen angel. It couldn't have been a more relevant theme for the song.
