The QuoteWerks Team has made changes to ensure a great experience for all attendees:
• Shorter keynote sessions (<15 minutes) allow more time for training.

• Most sessions are now only 30 minutes long allowing for   more focus on the topic.

•Breaks are limited to 5 minutes between sessions to keep the sessions moving.
•A single session track, over a two-day period, so attendees never have to choose between two simultaneous sessions.
•The return of dedicated MSP/IT Pre-Day sessions.
•Attendees will receive a physical printed agenda in the mail ahead of the Summit
•Reduced price AND an increase in the number of attendee spots.
•Tech Kiosk - Attendees will still have access to free scheduled tech kiosk sessions while the virtual conference is running!

The Summit Registration is $149 USD and includes access to all keynotes, sessions, tracks, and support. The QuoteWerks User Summit will have an optional Pre-Day event that focuses on content for IT and MSP Professionals. The registration for the Pre-Day and Summit is $199 USD includes access to all keynotes, sessions, tracks, and support and also an additional IT/MSP pre-day. The Pre-Day training will include training on Autotask and ConnectWise Integrations, Distributor Integrations, Procurement, Etilize, and more.
