EARLY CHILDHOOD LEARNING CENTRE
Morningside Child Care Centre

Their educators and instructors are locals and collaborate with families and community groups to recognise and understand the shared values that underpin our community. Their aim for the children and families that walk through their doors is to experience a sense of warmth and a homely feel throughout all spaces. Puss in Boots Early Childhood Learning Centre builds a strong foundation for children so that they find it easier to understand tough subjects. The Morningside Early Childhood Learning centre offers good learning environment and needed facilities.

Parents may visit their children any time they wish. They do ask parents who plan to visit their children frequently to follow the classroom routine. The Morningside early childhood learning centre believes that childhood is a unique time of life, to be valued and enjoyed in its own right. That is why they strive to maintain the integrity of childhood by creating an atmosphere and

environment where children can simply be children and learn systematically. Besides that, they teach skills to foster resilience, a sense of belonging, self-worth, secure attachments and warm trusting relationships.
