-- What makes a story great and interesting is being able to surprise the reader with unlikely twists and turns. Make them expect one thing but usurp their expectations and offer something that is far more surprising and in turn, something better. This is what [To Save a Child](#) gives, as written by author Beatrice Fairbanks Cayzer, following the tale of a racehorse trainer named Rick Harrow, whose life has turned upside down and finds himself in the center of a maelstrom of things going horribly wrong.
