

# Tray Kearney Launches #NoSideChicking Pledge Movement to Conquer Infidelity Epidemic

*Mission to secure signatures from 1 million women to honor, guard, and respect each other's relationships*

FRANKLIN, NEW JERSEY, UNITED STATES, March 1, 2021

[/EINPresswire.com/](https://EINPresswire.com/) -- Healing Agent and Certified Relationship Coach Tray Kearney is declaring war on infidelity and recruiting soldiers! She is galvanizing women worldwide to sign the #NoSideChicking Pledge during Women's History Month. Her goal is to encourage women to agree to honor and respect marriages, not fall into the trap of a mistress or 'side chick,' and help to eradicate the destructive habits that contribute to infidelity.

“

Cheating is a form of abuse. If you are knowingly sleeping with someone's significant other you are an abuser.”

*Tray Kearney*

Kearney, a victim of infidelity, is passionate about this call to action and the movement. She says the eradication starts with women, as they have the power to change the world by simply saying “no” to someone else's significant other.

“Infidelity is an epidemic that affects all of us. It does not discriminate, when one woman hurts we are all hurt. We are the answer to our own problem. If we decide to honor,

guard, and respect each other's relationships men would have no one to be unfaithful with. It's not them at this point it's us. We have to be our own rescue.”

- Tray Kearney, Certified Relationship Coach/Healing Agent

Through her personal online platform, Kearney expresses cheating as a form of abuse and notes

that women who are intimate with someone else's significant other are considered abusers. If the couple has children, Kearney says the 'side chick' is considered a child abuser.
